2020 Summer Ango

Let it be known that the 2020 Summer Ango has begun. Let us keep our practice in front of us at all times.

On the First Day of Ango in 1245, Dogen Zenji said:

During each practice period, make each moment the top of your head. Don't regard this as the beginning. Don't regard it as going beyond. Even if you see it as the beginning, kick it away. Even if you see it as going beyond, stomp on it. Then you are not bound by beginning or going beyond.
